Acceptance of any child at CDS is a decision of the CDS board and faculty. Acceptance is based on the compatibility of the school, the parents, and the child.

Accurate and complete information relating to a student's special learning issues, emotional stability, or physical limitations should be disclosed during the application process. With such accurate information our staff can carefully and prayerfully evaluate how effectively we can meet the needs of each student.

Currently, we do not have a program dedicated to the needs of learning disabled or physically handicapped students. However, a student with these needs is not automatically denied admission.
